Do you need help?

Yes, I'm trying to go to this hotel.

So you wanna go to the Princess Hotel?

Exactly, that's the hotel I'll stay at.

Take the Chuo Line from platform 3.

After about 4 stations, get off at Shinjuku.

Get out of the station at the West Gate.

It's only a five-minute walk from there.

How long does it take in total to the hotel?

I guess it'll take about 20 minutes.

Is the hotel easy to find?

You can ask around if you can't find it.
