Here is the menu.

Thanks! What are you gonna get?

I'm still thinking, but how about you?

I think I'll get this one, Beef Omelet.

I think I'll go with the same one.

What are you gonna have for your drink,  
beer?

I'm driving later today, so I'll just take coke.

But you can go ahead and drink, no worries.

It seems this comes with free coffee or tea.

I guess I'll have iced tea, then.

Wanna get some appetizers as well?

Why don't we get one of those?
