What time did you wake up?

I woke up at 8 am, I overslept.

Are we gonna go somewhere today?

Not really, but let's eat something good.

Maybe we should try some raw stuff.

Like sashimi? Why not?

Cool! I'll find a good one real quick.

Hey Yuuki, by what time should we leave here?

We gotta leave by 1 PM, I guess.

Oh, we got enough time, no rush.

What else are we gonna do after that?

It's up to you, man.
