Have you watched the movie?

I watched it last week, but how about you?

I was too busy to watch a movie.

How was it?

Everyone says it was good.

But actually, it was not that good.

But it was not horrible, right?

My sister said it was awesome.

I was expecting a romantic story.

But frankly, the movie was not what I was expecting.

Maybe you should try Titanic.

I'm sure you'll like it.
